<b>Scoring:</b>									
5 points for every correct answer									
5 extra points for a perfect round									
5 bonus points for a correct answer by captain to a bonus question									
Scores must be tallied and double checked with closest score keeper to prevent errors.									
Perfect rounds add 5 points to both the team and the individual scores									
Remember----- Bonus question points add 5 points to the team score only --To qualify for a bonus question a team must not miss more than 1 question per team member .									
of the 5 questions. For example a 4 person team can miss up to a total of 4 questions and qualify for a bonus question
